

Get Involved! It does make a difference!

**There are a lot of ways you can be a part of student success at
Kealakehe Elementary School!**

How can I help?

Time~ As little as 1 hour of your time, will make a positive impact on the students. Come and read, help in the classroom, supervise, paint, clean up, serve, share a talent... It is ALL important.

Food ~ We are accepting *healthy* snacks for the students to receive as rewards for multiple incentive programs.

We are also in need of local businesses to donate food for upcoming events to serve to the families that attend.

Materials~ A craft night on December 16 to create gifts and decorations, means we need donations of ribbons, glitter, glue, fun papers, any other crafty items you may want to share!

Money~ We know time is precious and sometimes you want to give but can't find the time. That is OK too. If you would like to donate funds to a project, the Kealakehe PTO. We will make sure your hard earned money goes directly back into the school to help us educate the next generation of community contributors.

Participate~ There are always fun and educational events for you and the students at Kealakehe. Come and join in during learning and collaboration. We have movie nights, Craft events, Math and robotics, Community walks, fitness events, career day and student performances. Keep checking the Thursday Envelopes for what new events are coming!
