BRUCE -- if parents are interested in email rather than paper ... we need to look at how to make it work; Blind mailing address, replies not accepted. Bruce -- needs to be a way to get feedback ... Nancy -- if this is something the council would like to pursue based on existing staff, this may become the project of the SCC -- improving communication with parents and communication.</li> <li>● Natalie -- this could be a possible project for us -- December 8th to pursue this same information &amp; discuss at next meeting...</li> <li>● Nancy -- by the time the 21st rolls around, I have to have financial plan updated ... possibly put off review of data to the January meeting?</li> <li>● Natalie -- consider a sub-meeting prior to 12/21?</li> <li>● Theresa -- possibly between the 8th and the 21st for a sub meeting?</li> <li>● Pohai -- the more we allow the parents to take care of the concerns, the better</li> <li>● Drake -- depends on the parents; if tech guy can meet with us in January (Michael Nguyen) -- we can move forward and allows time to consider ...</li> <li>● Bruce -- by visiting with Michael at January meeting ... we have a game-plan</li> <li>● Natalie -- may I email information so we can express what we are seeing ... and he will know where we are heading</li> <li>● Invite MNguyen to January meeting</li> <li>● December 8th -- do the same ... as last time ...
